

RALEIGH RAPTORS U16

PROGRAM OVERVIEW

// We will have the

hardest working teams

– on and off the ice – in everything we do.

We will outwork our competition every day at the rink, in our training facilities, in the classroom and in the community.

PROGRAM OVERVIEW

The Raleigh Raptors Midget program is committed to creating a strong, family-centered community of individuals focused on all aspects of hockey development from puck skills, shooting and skating to high-level game competition, nutrition and sportsmanship. Our goal is to develop high level travel hockey players that are well-rounded, grounded, confident individuals — demonstrating leadership, teamwork and respect for themselves and others on and off the ice.

We hope to instill in our players a life-long passion for excellence, the game of hockey and service to others.

OUR IDENTITY

- Our environment will be based on four principles: **Having Fun, Being a Good Teammate, Giving Max Effort** and **Respecting the Game** and those that make it possible (parents, coaches, refs., teammates, other players, etc.).
- We will represent our organization, teammates, families and the community with **class** and **honor**.
- The strength of our program lies in the **combination** of high-level competition, player development, parent involvement, high-performance training and the commitment of our players and coaching staff to excellence.
- We will be the **hardest working team** – on and off the ice – in everything we do. We will outwork our competition every day at the rink, in our training facilities, in the classroom and in the community.
- We believe that having **fun** is an important goal.
- Our players and coaches will be **accountable**.
- We will encourage and engage in **service and philanthropic activities** to feel more connected to our community and each other. Our service initiative will showcase how our actions – even small ones – can make a lasting impact.
- We expect our families and coaches to create and nurture **open lines of communication**.
- We want **well-rounded kids** in our program and will **embrace** their activities and interests outside of hockey.

FULL PROGRAM DETAILS

OPTIONAL SHINNY PROGRAM

The Raleigh Raptors will have an optional Shinny Hockey Program offered through Prime Time Hockey until our season starts. The Program will run in the evenings after team selection and will focus on skating, fitness and player development through competitive scrimmages. Costs for this optional program have not been determined.

PRE-SEASON TRAINING CAMP

The Raptors' U16 programs will kick-off with a multi-day training camp. The camp will feature classroom learning, on-ice and off-ice instruction, player evaluations, team building and athletic training and testing. We will use camp to set expectations for our players and begin to instill our values and culture. The dates are being finalized. The program will include:

- Individual and Team Goal Setting
- Player Handbook
- Hockey System Implementation
- Personal Brand Statements
- Personal ABC's
- Nutrition Discussion
- Fitness Evaluation
- Agility and Strength Work
- Team Dinner and Lunch
- On-Ice Video Capture
- Player Evaluations
- Concussion Symposium
- PTH Hockey Instruction
- Power Skating
- Shooting and Scoring
- Puck Control
- Skating Treadmill
- Passing

GAME SCHEDULE

The Raptors U16 team will play between 35-40 games when you include tournament play. We will have 12 home games with many of our 'away' contests being in North Carolina.

ON-ICE PRACTICE

The practice schedule will feature:

- 44 Full Ice Practices
- Detailed Practice Plans, Organized Coaching Staff
- Located in Wake Forest
- Practice Times are TBD (likely Wednesday/Friday)

PRIME TIME HOCKEY PLAYER DEVELOPMENT

Prime Time Hockey (PTH) has established itself as a leader in North America for advanced skating and skill development. PTH will direct our player development program through specialized weekly on-ice instruction and off-ice training in their facility. The program will include:

- 10 Hours of On-Ice Instruction Focused on Agility and Power Skating, Edge Control, Puck Handling, Shooting and Scoring Instruction
- 2 Skating Treadmill Sessions to Enhance Speed, Skating Stride and Acceleration
- 5 Hours of Team Facility Instruction Focused on Shooting, Passing and Puck Control

PLAYER DEVELOPMENT REVIEW

Player evaluation will be critical part of our program. We feel it is important to provide our players and their parents with player development reviews throughout the season. Evaluations include:

- Evaluation of Skating, Hockey Skills, Attitude, Fitness and Positioning
- Use of Video
- Three Evaluations: Preseason, Midseason and Postseason
- Detailed Player Evaluation Sheets
- Parent and Player Meetings

PLAYER HANDBOOK

All players in the U16 program will get a detailed player handbook. The book will house our offensive, defensive and fore-check systems along with our power play and penalty kill philosophy. The book also contains our team rules and goals, player goals, evaluations and brand statement. The player handbook is a big part of our program and will be key to all we do during the year.

VIDEO PROGRAM

The use of video will be essential to our program. It will be utilized to reinforce what our players are doing well, identify areas of improvement and help in player evaluation. The coaching staff will watch games and some practices to provide clips that will help in the development of our players.

SOCIAL EVENTS

Part of our mission is to create a family environment and we will help nurture that through team activities away from the rink. There will be team funded events and parent-sponsored, less structured gatherings. The main events include:

- **Signing Party:** Making a travel hockey team is a giant accomplishment and we want to celebrate our players and their achievement. At the event players will be formally introduced as Raptors, sign their contracts, pose for photos with the organization and their teammates. Food will be provided.
- **Holiday Party:** Before our team goes on its Holiday Break, we will have a team gathering to celebrate the season. We will do a team gift exchange, enjoy time with each other off the ice and have a nice meal.
- **End of Season Family Skate and Game:** At the end of the year, the team will gather to celebrate the season.
- **Other non-formal social events** will be put together by our social committee and include hockey games, laser tag, movies, birthdays, etc.

DEDICATED PRIVATE U16 LOCKER ROOM

The U16 team will have a dedicated locker room at the Factory. Our practice sessions and home games will located in the same rink as our locker room to allow for easy access to the ice. The private locker room will be locked and each player will have a code to gain entry. Access to the locker room will be limited to game and practice days. Our locker room will be have individual locker stalls and branded for the Raptors.

COMMUNITY SERVICE

Volunteerism teaches basic character foundations to kids and makes them feel more connected to the community and each other. Service promotes values that will last a lifetime including trustworthiness, respect, fairness, honesty, responsibility, citizenship and caring. We will have two community service days and one community showcase game where we will drive awareness for a local non-profit during our hockey game.

GAME DAY ENVIRONMENT

Game Day will be different and special. Our game day program will start with the player arrival. The locker room will have energy with music and a coaching staff that is excited to be there. After players get into their work-out gear, a detailed player warm-up will be conducted that will prepare our players both physically and mentally for the game. After warm, the coaching staff will reinforce our pre-game points of emphasis, conduct position meetings and work to make our players focused and ready to play. For home games, the team will decide on an entrance song and warm-up music. After some games, we'll conduct player interviews and post them to our social media outlets.

ONLINE PRESENCE

The Raleigh Raptors U16 team will have a robust online presence and make use of the Raptors Website, Twitter, Instagram and Facebook. We will also use a scheduling application called TeamSnap to help parents, coaches and players keep track of our practices, games and stats. From a social media perspective, we will use Twitter and TeamSnap to quickly communicate and remind families of game and practice schedules as well as facilitate game updates, highlights and photos to friends and family.

SCHEDULE OVERVIEW

The schedule is still a work in progress. At this time, here is what we think will be our month to month schedule and proposed 'typical week.'

September: Signing Party, Pre-Season Training Camp, Optional Conditioning Program Begins

October: Practice and Off-Ice Program, Potential Games

November: Practice and Off-Ice Program, Potential Games, Community Service Project

December: Practice and Off-Ice Program, Potential Games

January: Practice and Off-Ice Program, Potential Games and Tournament

February: Practice and Off-Ice Program, Potential Games and Tournament

March: Practice, Off-Ice Program, Potential Games and Tournament, Community Service Project

April to TBD: Practice, Off-Ice Program, Potential Games and Tournament, Family Skate and Game, Exit Interviews

Typical Week*: Off-Ice Training and Conditioning on Monday** | Wednesday, On-Ice Practice | Friday, On-Ice Practice and Conditioning | Games on Weekends

**Days and times are target only. We do not have confirmation of ice slots or days of the week yet*

*** Monday's training could be added to Wednesday or Friday's practices to limit times at the Rink.*

PARENT INVOLVEMENT

It really does take a village... In order to have this program be successful, we have to have everyone — players, coaches and parents — going in the same direction. We will have responsibilities for every parent from game video and stats to events and social media. Parents will be able to select their involvement level during our first Team Meeting.

PROGRAM COSTS

The Raleigh Raptors U16 Program has a corporate sponsor in order to keep things affordable while offering the most robust travel hockey, player and athlete development program in the market. The program fee will be **\$3,200.00** based on 17 players and covers all hockey activities, social events, player development and tournaments as outlined in this overview. Please ask our coach about **Financial Aid** and **Flexible Payment** plans.

Tournament travel is not included nor is hockey equipment, parent sponsored events and team required apparel. The apparel package with the Raleigh Raptors costs \$500.00 and includes:

- Game jerseys/socks (2)
- Track suit jacket/pants
- Pant shell
- Player bag
- Workout shorts & shirt
- Helmet stickers
- Jersey & Locker Nameplates
- Practice jersey/socks
- Hockey Gloves

If a player played within the Raleigh Raptors organization last season, a full apparel package may not be necessary as the player may already have much of the required items.

COVID POLICY

No one can accurately plan for the current state of the world and the impact COVID-19 has had on our lives. The changes that have taken place and the uncertainty of when things might return to normal are unprecedented.

The Raptors Hockey Club is confident that a new normal will emerge that will allow us to practice, play games and even go to tournaments. We just don't know when this will happen. As we build-out and implement our programs, our number one priority is the safety and well-being of our players, families and coaches.

With that said, the key word that will describe our COVID Policy is flexibility. We will be flexible with our programming to allow our teams to safely practice and train. We will be flexible with our facility hours to give smaller groups of players an opportunity to complete sessions. We will be flexible with our payment plans to reflect what we can do not what we think is possible.

The payment structure for U16 based on our COVID-19 policy is below. The total cost of our program is \$3,200.00 plus apparel.

PLAYER DEVELOPMENT (TRAINING CAMP, PRACTICES, PTH)

Cost: \$2,000.00

Payment Options: Full payment upon signing or \$1,000 at signing and \$1,000.00 by October 15, 2020.

GAMES (TOURNAMENTS AND GAMES)

Cost: \$1,200.00

Payment Options: Full payment upon the release of our schedule or \$600.00 upon schedule release and \$600.00 45 days later.

APPAREL PACKAGE

Cost: To be determined by player needs. Apparel package will be due at fitting.
