RAPTORS Hockey Club

Philosophy:

In just 7 seasons, Raptors Hockey Club has quickly emerged as the **“Organization of Culture”** for youth hockey in Raleigh, NC.

Raptors HC provides an environment that will encourage our Coaches and Team Managers to act with autonomy to nurture and develop guidelines that will cater to the needs of the specific players and families on their team.

Raptors HC will work with Player Development and Player Advancement as our primary goal and guiding principle. Families of the hockey community will continue to look to us to provide a positive, structured, supportive, competitive, safe, and fun environment for their kids – and we will do everything to accept, respect, flourish and deliver under these responsibilities that we take seriously.

Raptors HC will continue to prioritize providing hockey families with more ice time, more programming, and more accountability for lower registration fees than the other local hockey groups.

See the next slide for an illustration of how our culture and approach off the ice provides direct, impactful results on the ice!!
